## ON THE PLAYGROUNDS

The Playground Doll Show will take place at the Paris City School to-day. Premiums and prizes will be offered in the following classes: Dolls—china, paper, rag, oldest, hand-made, most unique, foreign, daintiest dressed, funniest; Furniture—hand-made, oldest, imported, doll buggy. An individual prize will be given to the child having the best exhibit.

The children will also be celebrating "Lady, Come To See Day." They will dress like grown-ups and bring their dolls and carriages. This contest is open to all children in Paris and vicinity. Any child or adult who has an interesting doll is urged to enter it and help to make the show a real success.

The kindergartens have been most fortunate in having three beautiful dolls contributed to them. The children will name their doll on each playground and will take turns in entertaining for the week-end. At the end of the season the child who has made the most attractive costumes will be allowed to keep the doll. The dolls have been contributed by the Bourbon County Woman's Club, the Bourbon County Garden Club and Jimmie Johnson Chapter, D. A. R., through the courtesy of Mrs. C. M. Clay.

One of the tennis courts has been rolled and taped, and is in splendid condition. The other three will soon be and the public is invited to play there at any time.

The American Legion has rendered a real service in donating a flag to each playground. The supervisors will have each day opened with the flag salute and a national anthem. The purpose of the Community Service is not only to furnish wholesome recreation for the children, but to train them for real citizenship.

## BOURBON CIRCUIT COURT

In the Circuit Court, the case of L. T. Leach, vs. the Commonwealth, being an appeal from the decision of the lower court, in which Leach was found guilty of selling moonshine whiskey, the case was continued on motion of Oscar T. Hinton, Leach's attorney, to the November term of Court.

Jno. Thomas, colored, who entered a plea of guilty to burglarizing a freight car on the Louisville & Nashville railroad, was sentenced to one year in the Frankfort Reformatory.

In the case of Isgrigg vs. Isgrigg, the amount to be paid by Sweeney Isgrigg for the support of his two children was reduced by Judge Dedman from \$50 per month to \$25. The children were left in the custody of their grandparents, Mr. and Mrs. Robert O. Turner.

In the trial of the case of Charles Calloway, colored, charged with having a moonshine still in his possession, Judge Dedman quoted a recent decision of Federal Judge Cochran, to the effect that if an officer has good grounds to believe that the law is being violated, no search warrant is necessary for him to enter the building. The statement came out during an argument between the attorneys in the case as to the right of an officer to enter premises without a search warrant. Calloway claimed he had sub-rented the house to two strange men, and that the apparatus seized by the police belonged to them.

In the case of Edward F. Prichard against Hensel and Gus Margolen, the jury returned a verdict, signed by nine members, finding for the plaintiff in the full amount asked for. The action was one for recovery of \$1,430.30, claimed by Prichard as the result of a cattle deal last year. The case brought out a large number of witnesses for both sides, and occupied the entire time of the Court Tuesday. The jury was out about one hour and fifteen minutes. The case had been tried at a previous term of the Court when the jury failed to agree. Mr. Prichard was represented by Judge Denis Dundon, and the defendants by Talbot & Whitley. It was afterward stated that the defendants would take the case to the Court of Appeals, on the ground that the verdict was excessive.

In the case of Redmon vs. Bartha, the jury decided in favor of the latter. The case grew out of an attachment upon the crop of tobacco grown in Nicholas county by a man named Kissick. The tobacco had been sold by Mrs. Kissick to a neighbor after her husband had been seriously injured and brought to the Massie Memorial Hospital, in this city. The plaintiff brought suit for the purpose of finding out if the sale was a bona fide one, or one for the purpose of avoiding the attachment. The jury decided the sale a bona fide one, made previous to serving the attachment.

The Court overruled a motion for a new trial in the case of Mrs. Inez Burns vs. the Director-General of Railroads, in which case, when tried Mrs. Burns was given a verdict for \$35,000 damages for the death of her husband, Bobby Burns, L. & N. engineer, who was killed while on duty. It was understood yesterday that the case will be taken to the Court of Appeals.

Court adjourned Wednesday afternoon until July 11, when Judge Dedman will return to hear a number of equity cases. Deputy Sheriff Gilkey took to the Frankfort Reformatory yesterday John Thomas, colored, sentenced for one year, and also took to the State Reform School at Greendale William Delaney, white boy, to remain one year.

## BASE BALL

### SUNDAY GAMES

Paris at Lexington.  
Mt. Sterling at Cynthiana.  
Winchester at Maysville.

### YESTERDAY'S RESULTS

Paris 0, Cynthiana 3.  
Winchester 3, Lexington 1.  
Maysville 11, Mt. Sterling 5.

President Thomas M. Russell, of Maysville, gave a decision Tuesday in three protested games in the Blue Grass League. In the game of June 8 between Paris and Mt. Sterling, which Umpire Wyatt forfeited to Mt. Sterling because the Paris team left the field, the protest of Paris was allowed, it having been agreed that the game be called at the end of the first half of four innings, because of rain. The game was given to Paris, as a win, which put the Mammoths a half-game behind the Lexington team.

The game of June 8, between Mt. Sterling and Winchester will stand as played, the protest of Mt. Sterling having been overruled. The game was protested on a decision of the umpire.

The Winchester and Cynthiana game of June 8 which was protested by Cynthiana on the grounds of alleged irregularity in Rasty Wright's contract, will also stand as being played. There was no irregularity about Wright's contract, said President Russell.

The Christian and Baptist teams of the Church League will play on Hancock Field this (Friday) afternoon, at 3:30 o'clock. A meeting of club officials will be held at the Y. M. C. A. at 7:30 o'clock Monday night, to consider important matters.

## CONTRIBUTORS, PLEASE TAKE NOTICE!

In preparing typewritten "copy" for THE NEWS, it is best to use double spacing, as single-spacing does not leave sufficient room for altering, changing, or making corrections, or additions, which frequently has to be done. The majority of contributors to the press use the single-spacing in preparing their copy. This works a hardship on editor and the linotype operator. The latter finds it a very difficult matter to follow the "copy" accurately when it is single-spaced, as the copy-holder on a linotype machine is not very wide. The operator, using a metal guide to keep track of the line, finds it a great inconvenience to handle single-spaced copy. Please remember this.
